Risks:

Buying any property and arranging finance in order to do so involves taking a risk. Engaging us as your brokers to assist with your application does not completely mitigate all the risks associated with this process as many of these can be outside our control. If the mortgage is regulated then you are offered some protection against financial losses if you can evidence you have been misled or poorly advised by a regulated broker or a lender. If the mortgage is unregulated, then you forego this protection.

- When we introduce a lender to you we cannot be held responsible for any decisions they make. This also includes time delays incurred or change of policy decisions that a lender (or any other associated professional or third party) make in relation to you or your application. A lender can also withdraw a loan offer at any time, and they can issue a notice for a mortgage to be repaid on demand if they have a valid reason to do so.
- Valuers instructed by the lenders are working on the lenders behalf whether you have paid for that valuation or not. We cannot be held responsible for the decisions they make or their professional opinion of the value of your current/proposed property.
- If, in the valuer's opinion, further inspections or reports are required to assess the condition of the property, we or the lender cannot be held responsible for the purpose of this report or the additional costs you may incur.
- We do not engage the services of estate agents and cannot be held responsible for their actions if they withdraw the property or change any terms or conditions of the purchase.
- We do not recommend solicitors (but we can instruct on your behalf if asked to do so). They are not employed by us and therefore, we are not responsible for their delays, or any action or decisions they make in relation to the services they have offered you.
- The type of mortgage/loan being applied for must be appropriate for the purpose, and you must tell us, and the lender, of your true intentions. If you do not, then you may be intentionally or unintentionally be committing mortgage fraud.
- If you borrow money secured against a property for any purpose other than to purchase that property you must ensure the reason to do so is legal and acceptable to the lender.
- You must ensure you have the means to repay the mortgage within the agreed term.
- You must ensure you make adequate provision to maintain your mortgage payments on time and make suitable provision to continue these payments or repay the mortgage if you are unable to do so for any reason.

By returning this form, you acknowledge you have read this document thoroughly and fully understand the risks associated with buying property and applying for mortgage/loan finance.
